## **Race Day Registration**

Saturday, October 15th, from 7-11 am at the registration tent, near launch / recovery docks

NOTE: There will be no registration session Friday evening.

### **RULES:**

- **General Rules-** United States Rowing Association Rules of Racing shall apply, unless otherwise noted.
- **Bow Numbers-** Bow and coxswain shirt numbers will be provided at registration to crews who have properly submitted their entry materials (entry forms, signed waivers and fees). Crews without both bow and coxswain shirt numbers will not be permitted to launch. Bow numbers must be returned to the dock area after racing. Shirt numbers are to be worn on the back of the bow person of the boat. In a bow coxed boat, the coxswain number must be worn on the back of the bow rower.
- **Race Times and Boat Order-** It is the Regatta's intention to start crews for each event together and in-order. One of the biggest complaints from previous years has been the relaxed starting policy. Therefore, the Regatta will NO LONGER allow crews that arrive late to the line to race. All crews should allow a minimum of 40 minutes to launch and row to the start line, in order to make their scheduled event. Teams should allow enough time to adjust for weather conditions.
- Crews wishing to hot seat either boats or rowers shall notify the dockmaster at the time of launch and at the time of recovery. The dockmaster will help facilitate hotseating to the greatest degree possible. Hot seating is expected to take no longer than 2-3 minutes. If hot seating includes changing oars, the oars may not be brought onto the dock until the boat is within an arms' length of the dock.
- **No Coaches on the Water-** No coach is to be on the course in a launch during any race. Any coaches on the water will have their boat or boats disqualified.
- **No Observing of Races from Fishinger Bridge-** Due to complaints at prior regattas, the police will not allow standing or observing of the race from Fishinger Road Bridge.

### **COACHES' AND COXSWAINS' MEETING:**

The coaches' and coxswains' meeting will be held at the registration area near the launch /

recovery docks on Saturday morning, October 15th at 7:30a.m. A race schedule, a map of the course and general rules will be included in competitor registration packages.

### **FRIDAY PRACTICE:**

Competitors wishing to practice Friday may do so if they follow these instructions:

- Follow general water traffic pattern of traveling north along the east shore and traveling south along the west shore
- Row within 100 feet from shores
- Cross river only at Fishinger Road Bridge (bridge south of dock which crosses over the registration tent and the river), at "The Wall" (large stone bridge on east shore which crosses a tributary) and just south of Hayden Run bridge (first bridge north of dock which crosses the river)
- Do not travel south of the Fishinger Road Bridge or north of Hayden Run Bridge.
- No rowing after sundown (6:54 pm) on October 14th or before sunrise (7:42 am) on October 15th.

### **PARKING:**

As this event grows each year, GCRA has had to assure the police and park representatives that the park will not be damaged by the event. Competitors are required to comply with the parking plan described below:

On Saturday morning, all competitors and spectators will be required to park in the campground area south of Griggs Dam (approx. 2 miles south of Fishinger Road). Signs will be posted to assist you. There is no parking fee. Please note that if you park in any undesignated areas (i.e. in the park or in the merchant lots), you may be ticketed and towed. Parking on the grass will result in a ticket or being towed and will jeopardize future regattas. There will be a shuttle service provided to and from the parking lot to a drop-off point just below the staging area. There will also be a group of parking volunteers to direct traffic. Please follow their instructions.

Trailers with boats will be allowed into the park to unload on Friday, October 14. They will also be allowed into the park to unload boats on Saturday morning; however, access to the park will be closed after 8:00am! All trailers and tow vehicles will be directed to park in the parking area just south of the Fishinger Road Bridge. The road into the park is a one-way street and vehicles will be required to exit the park north of the dock area, turn right (south) on Riverside Drive and once again enter into the park at the Nottingham entrance. All other team vehicles (including team buses), spectators, and participants will be required to park in the campground area.

With explicit permission of the parking director, some trailers may be allowed to park along the road in the staging area. These trailers will NOT be allowed to leave the staging area until 5 p.m. due to foot traffic in the staging area during the regatta. If you would like the convenience of closer trailer space, you MUST be able to stay in that space until the end of the regatta.
